Employees shall have the right to accumulate two (2) personal days per year, and may use no more than five (5) personal days in any school year. However, any days that are accumulated by the employee will count as being used for computation of any bonus payments related to personal day usage in this Agreement. Not more than ten (10%) percent of the elementary and not more than ten (10%) percent of the secondary faculty may take a personal day on the same day. Eligibility will be on a first come, first served basis. Half-day personal leave days will not be permitted from April 15th through the last day of school. Reimbursement for employees not using their personal days shall be paid at the daily substitute rate of the District. Employees have the option to deposit all reimbursement relating to the above payments into their HSA account at the time that it is earned.

### B. LEAVE - DEATH IN IMMEDIATE FAMILY

1. Each employee will be allowed three (3) days leave for death in the immediate family and if still physically, mentally, or emotionally unable to perform his duties, he shall be entitled to take whatever sick leave time he has available. Members of the immediate family shall be defined as father, mother, brother, sister, son, daughter, husband, wife, parent-in-law, or near relative who resides in the same household, or any person with whom the employee has made his/her home.
2. Each employee will be allowed one (1) day leave to attend the funeral of a near relative, and if still physically, mentally, or emotionally unable to perform his duties, he shall be entitled to take whatever sick leave time he has available. A near relative shall be defined as first cousin, grandfather, grandmother, aunt, uncle, niece, nephew, son-in-law, daughter-in-law, brother-in-law or sister-in-law. One day can also be granted at the discretion of the Superintendent for a close friend.

### C. ACCUMULATED SICK LEAVE

On the opening day of the school year, each teacher shall be credited with a ten (10) day sick leave allowance. In any school year, up to five (5) days may be used for illness of members of the immediate family of the employee when such illness requires the employee to be absent from school. The unused portion of such allowance shall accumulate from year to year without limitation. As an incentive for perfect attendance, employees will receive Four Hundred (\$400.00) Dollars if no sick days or personal days are used during the school year, or Two Hundred (\$200.00) Dollars if no more than one (1) sick day and no personal days are used during the school year, or Two Hundred and Fifty (\$250.00) Dollars if no sick days are used during the school year. Employees shall continue to be eligible for reimbursement for unused personal days under Article VII, Section A. Employees have the option to deposit all reimbursement relating to the above payments into their HSA account at the time that it is earned. After the employee has accumulated one hundred fifty (150) unused sick leave days, he/she may elect to transfer up to ten (10) days of accumulated but unused sick leave days to his/her Health Savings Account at the rate of Eighty-Five (\$85.00) Dollars per day. Contributions to the HSA by either the District or the employee shall not exceed IRS limits.

### D. SICK LEAVE BANK

A sick leave bank shall be established to which employees may contribute days of personal sick leave. Such sick leave bank shall be administered by the Sick Leave Bank Committee which shall establish and furnish to the employer and sick bank members a copy of the rules and regulations governing the same. The Sick Leave Bank Committee shall certify to the employer the contributors thereto and the employer agrees to honor withdrawals therefrom upon proper certification by the Sick Leave Bank Committee. The Sick Leave Bank Committee shall consist of members of the Association.

Purpose - This sick leave bank is instituted for the protection of members of the bargaining unit and is intended to be beneficial to the Board as well as to its employees in the unit. The Sick Leave Bank is intended to provide additional benefits for members suffering from catastrophic injury or illness, excluding self-inflicted injuries. In order for an employee to be eligible for the Sick Leave Bank benefits, the employee must have been an inpatient in a hospital, confined to a health care facility, or be confined to a residence.

The purpose of the Sick Leave Bank is to provide a means so that an employee is able to have the time needed to recover from his/her illness and return to work, and not as a means to get to retirement. The Sick Leave Bank is not intended to provide benefits for those with chronic illness.

1. Membership

- a. The sick leave bank is voluntary for all full-time and part-time professional employees as recognized in the collective bargaining agreement between the Bellwood-Antis Education Association and the Bellwood-Antis School District and only participating members may benefit from the program.
- b. Each participating member will donate one (1) of his sick days each year for a minimum of three (3) years, in order that he may become a member of the bank. A member may also donate three (3) sick days at the beginning of the school year, by the end of September, in order to participate. New members must wait one year from the date of their last donated day to be eligible to withdraw from the sick bank.

2. Method of Administration

- a. All accumulated sick leave must have been used before an individual is eligible for any sick leave bank days.
- b. The incapacity, accident, or illness must be of a nature that it is unavoidable during the school year.
- c. Each case, in regard to eligibility, duration of time, and return to service will be handled on an individual basis.
- d. A doctor's written prognosis and signature must accompany any request for more than five (5) days use of the sick leave bank.
- e. The bank may not be used for cases of pregnancy nor while on maternity leave.
- f. While using days from the sick leave bank, individuals are required by contract to submit each week a statement that he/she is not otherwise gainfully employed.
- g. *Written Request* - Any contributing participant eligible to apply for withdrawal of days from the sick leave bank shall submit a written request for such withdrawal to the members of the Sick Leave Committee on the form provided for that purpose. The request shall be presented to the Sick Leave Committee for approval.
- h. *Approval* - Approval of a request for a withdrawal of days from the sick leave bank will be granted upon affirmative vote by a majority

of the members of the Committee. The Committee, upon a majority vote, may require the opinion of a physician of its choosing in cases of frequent requests from the same individual.

- i. *Exceptional Cases (Workers' Compensation)* - Any accident not covered by workers' compensation will be treated in the same manner as other illnesses regarding withdrawals from the sick leave bank. Absences covered by workers' compensation will continue to be treated according to the past practice of the District.
- j. Days donated to the sick leave bank shall not be counted as sick days used in reference to incentive for perfect attendance.
- k. An eligible participant may withdraw from the program at any time by written notification to the Committee or to the Association President. Days previously donated may not be withdrawn from the bank.
- l. Before days will be granted, all other avenues, including medical sabbaticals will be utilized.
- m. Limitation of Usage: There shall be a limit of sixty days maximum benefit for any eligible member during the school year.
- n. Every fifteen (15) school days, a doctor's written excuse stating continued need of time off is required.
- o. If the need arises due to the fact that the sick leave bank has run out of days, each member will be required to donate an additional day to the sick bank within the next twelve (12) months to remain in good standing and to remain eligible to withdraw from the bank.
- p. Employees may donate additional days to the Bank at their discretion.

3. Board Indemnification

- a. The Association shall indemnify and save the Board harmless against any and all claims, demands, suits, or any other form of liability that shall arise out of or by reason of action taken or not taken by the Board for purposes of complying with any provision of this Section, or in reliance of any list, notice, or assignment furnished under any such provisions.

E. JURY DUTY

Employees who are selected for jury duty shall be granted leave with pay, less the amount of payment received for such jury duty.

F. CHILD-BEARING/CHILD-REARING LEAVE OF ABSENCE

1. Child-bearing and child-rearing leaves of absence, without pay, will be granted to professional employees, subject to the following conditions:

a. Child-bearing Leave

1) Child-bearing leave shall be granted for the period of disability related to pregnancy. Child-bearing leave will commence and terminate on dates that are determined jointly by the employee and the employee's physician. A written notice, stipulating such dates, must be submitted to the Board at least thirty (30) calendar days, if possible, prior to the commencement of the leave. An employee on child-bearing leave shall be treated in the same manner as any other employee unable to perform his/her duties due to non-pregnancy related disability.

2) An employee on child-bearing leave will be granted one extension of the leave upon submitting to the Board a written request stipulating the date on which the extended leave will terminate. This request shall be submitted no later than fifteen (15) calendar days prior to the expiration of the current leave.

3) An additional extension, not to exceed six (6) months, will be granted when requested in writing by the employee and recommended by the employee's physician.

4) The combined length of the child-bearing leave and extensions shall not exceed one calendar year.

5) At the conclusion of the unpaid leave the Board will return the employee to the position held prior to the leave, if the position exists. If the position does not exist, the Board will offer the employee any other available position for which she is eligible until such time that she can be offered the position held before or one substantially similar to it.

6) Benefits will continue for persons on child-bearing leave for a period not to exceed one calendar year.

b. Child-rearing leave

1) Child-rearing leave is applicable in those instances where an employee desires an unpaid leave of absence for the purpose of rearing a child in that period immediately following child-birth or in that period immediately following the legal adoption of a child. A written request stipulating the dates on which the child-rearing leave will begin and terminate must be submitted to the Board by the employee at least fifteen (15) days prior to the start of such leave. This requirement may be waived by the Board due to extenuating circumstances, e.g., sudden notification by an adoption agency.

2) An employee on child-rearing leave will be granted one extension of such leave upon submitting to the Board a written request, stipulating the date on which such extension will terminate. This request shall be submitted to the Board no later than fifteen (15) calendar days prior to the expiration of the current leave. The combined initial and extended child-rearing leave shall not exceed one calendar year.

3) At the conclusion of the unpaid leave the Board will return the employee to the position held prior to the leave, if the position exists. If the position does not exist, the Board will offer the employee any other available position for which the employee is eligible until such time that the employee can be offered the position held before or one substantially similar to it.

4) A professional employee may request a child-rearing leave for reasons other than those specified in Paragraph "1" above. Such requests are subject to the discretion of the Board, and, if granted, will be subject to the provisions set forth in the preceding paragraphs of this Section.

5) Benefits will continue for persons on child-rearing leave for a period not to exceed one calendar year.

2. A professional employee who has been granted a child-bearing leave may request an extension of such leave for the purpose of child-rearing. Such a request for unpaid leave shall be governed by the provisions set forth in Paragraphs: "2, 4., and 5." of Section "1.a. Child-bearing Leave." above.
3. A professional employee may request additional unpaid leave in accordance with the Pennsylvania Public School Code of 1949, as amended.

G. EXTENDED LEAVE

An employee who is unable to perform his/her assigned tasks because of medically verified personal illness and who has exhausted his/her sick leave, and has used the maximum number of days allotted from the sick bank, may be granted after written request, and Board approval, a leave without pay for the balance of the school year. Such leave may be renewed by the Board after written request.

H. UNPAID LEAVE OF ABSENCE

1. Upon receipt of a written request prior to May 1 of the preceding school year, the Board will grant an employee an unpaid leave of absence for one (1) school year. Such leave may not be granted the year following a sabbatical leave or a child-bearing/child-rearing leave of absence. Such leave may be renewed for one additional year, provided the employee submits written application prior to May 1 of the year of leave.
2. Employee shall have the option of continuing coverage of all benefits at their own expense by remitting the monthly premium one month in advance to the school district.
3. Upon return from an unpaid leave of absence, such as child-bearing/child-rearing, or any other request for a half year or full year unpaid leave, employee shall receive the proportionate salary increment he/she is scheduled to receive during the current year of the contract. Thus, in effect, this exception creates an entirely new salary schedule for that individual.

I. LEAVE OF ABSENCE

Benefits will continue for persons on sabbatical leave or leave of absence due to illness for a period not to exceed one calendar year.

J. RETIREMENT YEAR SALARY INCREMENT - UNUSED SICK LEAVE

If after ten (10) or more years of service within the Bellwood-Antis School District, any employee covered by this contract shall submit a letter of resignation no later than May 1 indicating his/her plans to enter into the Public School Employees Retirement System, said employee shall be eligible for a salary increment for the final period equivalent to an amount based upon the number of days accumulated sick leave at the rate of Eighty-five (\$85.00) Dollars per day. This payment for unused sick leave shall be placed in a Health Reimbursement Account (HRA) under the provisions of the Internal Revenue Code and Article

VII, Section K. The amount of the increment initially calculated shall be adjusted to reflect any sick days taken after the initial calculation, which adjustments shall be made on the final check due to the employee. In the event of death of the employee, the deceased's beneficiary will receive the salary increment for all unused sick leave.

#### K. HEALTH REIMBURSEMENT ACCOUNT

A retiree will be eligible to participate in a Health Reimbursement Account under Section 509(C)(A) of the Internal Revenue Code under the following provisions:

For 30 through 36 years of service, as of June 30 of the year the employee retires, the following amounts shall be placed by the District in a Health Reimbursement Account under Section 509(C)(A) of the Internal Revenue Code effective:

- 2021-2022 \$19,500

In order to be eligible for such retirement benefit, the employee must meet all of the following requirements:

1. Not have taken a sabbatical leave except for medical reasons in the previous fiscal year, or unless given a waiver by the district.
2. Submit his or her retirement notification to the Board at least one (1) semester prior to the effective date of retirement.
3. Such retirement shall only be a retirement from the Bellwood-Antis School System, but would still have the opportunity to substitute.
4. Is not subject to Permanent Disability Retirement.
5. Have at least ten (10) years of service in the Bellwood-Antis School District.

#### L. TEACHERS EMPLOYED 10, 11, 12 MONTHS

Teachers employed on ten (10), eleven (11) or twelve (12) month schedules will receive salaries based upon 1.1, 1.2, or 1.3 times the step amount. The Board may elect to change employees from one of the amount schedules to another or to a regular nine (9) month employee, provided that notice is given to that employee prior to July 1 of the school year prior to the one in which the change is sought.

M. MILEAGE

Teachers required in the course of their work to drive personal automobiles from one building to another, or to drive students to various activities shall receive mileage expenses for travel by car at the allowable rate established by the IRS. The same allowance shall be given for the use of personal cars for field trips or other business of the district.

N. CREDIT REIMBURSEMENT

The Board will provide reimbursement equal to seventy-five percent (75%) of the cost of a graduate credit at Penn State. All post baccalaureate credits must be earned at a state approved baccalaureate degree-granting institution or an institution that is a member of one of the six recognized regional accreditation agencies. Subject matter must be in direct relation to their present teaching assignment or the teacher must furnish proof from the Dean of the Graduate School indicating that he is a bona fide candidate for an advanced degree and the course or courses sought to be taken are necessary to obtain that degree. No payment will be made thereunder unless prior approval has been given by the Superintendent. A maximum of 12 credits per year will be reimbursed except during a sabbatical for professional development. The end date of the course will determine eligibility for payment toward the twelve (12) credit maximum.
